

2/6/21 ML

Good morning everyone.

Today is Wednesday the 2nd of June.

For today's session, you'll need: your practice book, your big orange ML book, your crayon bag and your beeswax.

Fix it up:

Sophie	saw	five	went	to	she	when
whales	the	reef	.	big		

This sentence is all jumbled up. Please try to sound the words out and write the correct sentence into your practice book. I have marked the sentence starter in purple. Ask your daddy or mummy to help sound out the sounds with you if you need help. You may want to write the words onto a piece of paper, cut them out and rearrange the words into the correct sentence.

(Sophie saw five big whales when she went to the reef.)

You may pause the recording now, or keep on listening and do everything once you have finished listening to the recording.

Uncover my number.

For today's uncover my number, See pic 1. Check the answer with your daddy or mummy once you have worked it out. ( $10 + 10 + 10 + 10 + 10 + 10 + 5 = 65$ )

You may pause the recording now.

Main Lesson

For writing today, we will be writing "Mullin pulled the white swan's feathers out. Wahn dropped some black feathers on them, for protection against the cold." This is to be written into page 4 of your ML book. You may pause the recording now, or keep on listening and do everything once you have finished listening to the recording

Yesterday, you listened to the story of 'The Blue Fish and the Moon'. Please review/summarise the story to your parents. Alternatively, you may review the story quietly to yourself. You may do so now and pause the recording.

For today's drawing, we will be drawing Loolo turned into a blue fish into the page 5 of your ML book. You may pause the recording now and draw.

You have one additional task today, that being to complete the beeswax modelling. You have wax for Princess Daisy Divide, The King of the Land of Mist, or a basket/pot of flowers. For people who want to work on Extras over the course of the day, the options are the same as yesterday. A reminder, you may use the words from the Word Family Book, make your own sentence and then write into your practice book. Try to sound out the words by yourself before you ask your parents to help.

#### ML Task List:

1. Fix it up!
2. Uncover My number: See pic 1.
3. Writing: *Mullin pulled the white swan's feathers out. Wahn dropped some black feathers on them, for protection against the cold."*
