

7/6/21 ML

Good morning everyone.

Today is Monday the 7th of June.

There are two sessions today. Firstly, the usual Main Lesson work and secondly, the reading session. Once you have completed the Main Lesson work, please take a break, then find a time to work through the reading session with my second recording.

For now, you'll need: your practice book, your big orange ML book and your crayon bag.

Fix it up!

These number words are all jumbled up. [See pic 1.](#)
Copy everything into your practice book, then rewrite the correct number words.

You may pause the recording now, or keep on listening and do everything once you have finished listening to the recording.

Uncover my number.

For today's uncover my number, please work out: 'Josh made 25 buns this morning. He divided them onto 5 plates. How many buns did each plate have?' You may use any counter available in the house to help you. Check the answer with your parents once you're done. ($25 \div 5 = 5$)

You may pause the recording now.

Main Lesson

Before we start our writing today, I need to fix up a mistake I made on Friday. Please turn your book to page 9. The writing should be "*The Topknot Pigeons* have always gone in flocks to search for food. They are never alone." I wrote "*Pigeon*" instead of *Pigeons*, please put "*s*" at the end of *Pigeon*. For those of you who have the correct writing, well done to you, you don't need to do anything.

Now let's turn the page to page 10.

For writing today, we will be writing "*Kondole did not want to share his fire. He became a whale and spurted water from the back of his head.*" Please pay attention to your golden pathway, the formation of your letters and your pencil

grip. Remember to use a blue coloured pencil for the naming words. Lastly, remember to mark the page number 10.

You may pause the recording now.

On Friday, you listened to the story of 'Kangaroo gets a pouch.' Please review/summarise the story to your parents. Alternatively, you may review the story quietly to yourself. You may do so now and pause the recording.

For today's drawing, we will be drawing 'Kangaroo gets a pouch' into page 11 of your ML book. You may pause the recording now and draw.

Your additional task today is to read week 7 word family with me.
The instructions for this session are on the website.
Please take a break.

Task List:

1. Fix it up!
2. Uncover My number: 'Josh made 25 buns this morning. He divided them onto 5 plates. How many buns did each plate have?'
3. Writing: "Kondole did not want to share his fire. He became a whale and spurted water from the back of his head." On page 10.
4. Review/Summarise the story: Kangaroo gets a pouch.
5. Draw: 'Kangaroo gets a pouch' on page 11.
6. Reading Session
