

1/6/21 ML

Good morning class 2.

Today is Tuesday 1<sup>st</sup> of June.

According to the four seasons, today is the first day of winter. However, the Australian Aboriginal people applied their profound observations towards nature. For our native Wurundjeri people, there are six seasons altogether. We'll look into this later on.

For today's session, you'll need: your practice book, big orange ML book and crayon bag.

Fix it up:

She	lost	two	jeep	teeth	crossed
when	the	creek	.		

This sentence is all jumbled up. Please try to sound the words out and write the correct sentence into your practice book. I have marked the sentence starter in purple. Ask your daddy or mummy to help sounding out the sounds with you if you need help. You may want to write the words onto a piece of paper, cut them out and rearrange the words into the correct sentence.

(She lost two teeth when the Jeep crossed the creek.)

You may pause the recording now, or keep on listening and do everything once you have finished listening to the recording.

Uncover my number.

For today's uncover my number, please work out: 'They had 30 boxes of pasta in the pantry and received 7 more boxes last week. How many boxes of pasta are there?'

Check the answer with your daddy or mummy once you have worked it out.

(30 + 7 = 37)

You may pause the recording now.

Main Lesson

On **page 2** of your ML book, we are going to write: "*The Sun Goddess brought life to the world. The living things could now enjoy the land.*" Remember, to use

blue coloured pencil for the naming words and if some of you would only like to write one sentence, that is fine.

You may pause the recording now and write these two sentences into your ML book.

Yesterday, you listened to the story of 'The Land of Women'. Please review/summarise the story to your parents. Alternatively, you may review the story quietly. You may do so now and pause the recording.

For today's drawing, we will be drawing *Mullin (the eagle-hawk) attacking the white swans that had gone onto the sacred lake without permission, and pulled their feathers out. Wahn (the crows) dropped some black feathers on them, for protection against the cold* into the **page 3** of your ML book. **see pic 3.** You may pause the recording now and draw.

That's it for today. For people who want to work on Extras over the course of the day, you may work on the plus and minus worksheets, or continue to work through your Number Book. You may sound out all the words in your Word Family Book. Make some sentences out of the words of your choice then write them into your practice book. Lastly, you may work on your weaving.

#### ML Task List:

1. Fix it up!
1. Uncover My number: 'They had 30 boxes of pasta in the pantry and received 7 more boxes last week. How many boxes of pasta are there?'
2. Orange ML book-write: On **page 2**.
3. Review/summarise the story-The Land of Women.
4. Orange ML book-draw: 'Mullin and the White Swan.' On **page 3**.
5. Extras:
  - Addition (plus)/Subtraction (minus) worksheets or
  - Number Book or
  - Word Family or
  - Weaving
