

23/7/21 Intro

Good morning everyone.

Today is Friday the 23rd of July.

There are three sessions today. The ML, Word Family and Math Bingo.

For now, you'll need: your practice book, your big purple ML book and your crayon bag.

Fix it up!

Jean	went	to	the	beach	saw	and	in	nine
lean	seals	sea	the	.				

This sentence is all jumbled up. Please try to sound the words out and write the correct sentence into your practice book. I have marked the sentence starter in purple. There are words which are easy to work out, but do ask your daddy or mummy to help if you need to.

(Jean went to the beach and saw nine lean seals in the sea.)

You may pause the recording now, or keep on listening and do everything once you have finished listening to the recording.

Uncover My Number

For today's uncover my number, please work out:

I went to the snow and made 25 snow pancakes.

1. My son also made 5 snow pancakes, how many snow pancakes do we have altogether?
2. 10 snow pancakes melted away. How many snow pancakes left?
(1. $25+5=30$, 2. $30-10=20$,

You may use the 'counting on' and 'counting down' strategy. Or, use any counter available in the house to help you. Check the answer with your parents once you're done. You may pause the recording now.

Main Lesson

For writing today, we are going to write on page 4 of your book, 'The beggar got a lot of silver coins from Francis. He was able to make a good living for a long time.' (see pic 1)

Remember to mark the straight golden pathways all the way across the page.

You may pause the recording now and write.

Now, please review/summarise the story of how Francis ended up in prison, wanted to become a knight and finally how he changed his mind.

You may pause the recording now and review the story.

And then turn the page to page 5. Draw the picture of Francis exchanged the clothing with a beggar in front of St. Peter's Basilica in Rome. (see pic 2).
You may pause the recording now and draw.

Word Family

After listening to the ML story, take a break and find a time to work on the word family. Please download the instructions and write the words into your Word Family Book.

Math Bingo

You will need:

- the bingo card in your home learning pack.
- to listen to my recording in the Math Bingo session.
- to circle 5 answers on the card.
- to keep the bingo card in a safe place.

Chores

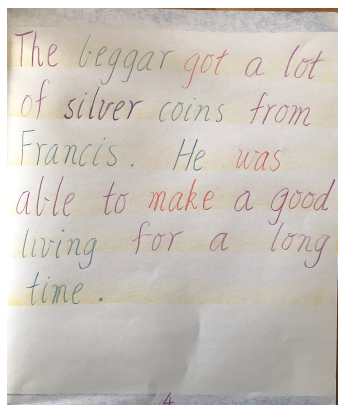

After the bookwork, it would be good to help out with one job around the house. Remember to share with the class what you do to help by sending the recording to me.

That's it for today.

Bye for now.

Task List:

1. Fix it up!
2. Uncover my number.
3. Review/Summarise the story.
4. ML p4 & p5.
5. Word Family.
6. Math Bingo.
7. Listen to the ML STORY.
8. Chores.

The beggar got a lot of silver coins from Francis. He was able to make a good living for a long time.
